

Monday Morning News Bulletin – 50 Cents a Copy

By Hal Mitchell – July 26, 2010

**A** Publication of [PatriotsOnPurpose.com](http://PatriotsOnPurpose.com) a Conservative online website, designed to put you on the fast track to important issues of the day with pithy commentary that could be addictive. Don't be a pinhead, be a Patriot! Support our Troops. Haaa!

- **McCain/Deakin in same camp?** – According to a Tucson Citizen story written in a column entitled [The Cholla Jumps](#), by Susan Bradford, she “posits that GOP candidate for the US Senate Jim Deakin is an agent of John McCain’s”. This will raise some eyebrows. My comments about this are from a “take off” on a humorous old Baptist Sunday school ditty: *The Deacon went down to the cellar to pray. He got drunk and he stayed all day . . . My version: Deakin went down to the cellar to pray. He found McCain and decided to team up with him to beat JD. I know it doesn't rhyme but it's funnier this way. From [Sing along with HalMitch ditties](#).*
- **McCain will do anything** – to save his whiney [hiney](#) including doctoring a [Rocky Mountain News poll](#) . . . . .
- **The two JD's** – JD Hayworth and the other JD, Jim Deakin, are in a battle to unseat McCain. The first JD (Hayworth) has the better chance, according to [Rasmussen](#). Most pollsters believe that . . . .

- **The Dodd-Frank Financial Overhaul** – This from Patriot Update: Have you read the Dodd-Frank financial overhaul . . . . .

- **Federal Reserve Chairman Ben Bernanke** – According to Newsmax, dropped a major bombshell on Democrats . . . . .
- *Pelosi's face tightens as she turns her hearing aid off and reaches for a barf bag just behind her freshly polished mahogany desk. But suddenly her phone rings. It's him, she mutters as she quickly stashes the now soiled bag. Big O never calls at lunch time, she whispers. (From the back cover of a new paperback by Mitchie Spillane called *Madame Speaker*.
