

Mr. Sandman

By the Chordettes

*Mr. Sandman, bring me a dream
Make him the cutest that I've ever seen
Give him two lips like roses and clover
Then tell him that his lonesome nights are over*

*Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream*

*Mr. Sandman, bring me a dream
Make him the cutest that I've ever seen
Give him the word that I'm not a rover
Then tell him that his lonesome nights are over*

*Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream*

*Mr. Sandman bring us a dream
Give him a pair of eyes with a come-hither gleam
Give him a lonely heart like Pagliacci
And lots of wavy hair like Liberace*

*Mr. Sandman, someone to hold
Would be so peachy before we're too old
So please turn on your magic beam
Mr. Sandman, bring us, please, please, please
Mr. Sandman, bring us a dream*

Parody by Sing Along With HalMitch

Mr. Con Man

*Mr. Con Man bring me a dream
Make me the richest that I've ever been
Give me some stash, I'll be in clover
Then dear Barry, your lonesome nights are over*

*Con Man, I'm so alone
Don't have any money to call my own
Please turn on your magic scheme
Mr. Con Man, bring me a dream*

*Mr. Con Man, bring me a dream
Make me the richest that I've ever been
I give you my word that I'm not a rover
Now dear Barry, your lonesome nights are over*

*Con Man, I'm so alone
Don't have any money to call my own
Please turn on your magic scheme
Mr. Con Man, bring me a dream*

*Mr. Con Man, bring us your dream
Give us a paradise with your come-hither scheme
Feed our greedy hearts like Pagliacci
Give us clothes to wear like Liberace*

*But Mr. Con Man, we were never told
Healthcare won't treat us now that we're old
So, please turn off your tragic scheme
Mr. Con Man, don't bring us, please don't bring us
Mr. Con Man, please don't bring us your dream.*

*Mr. Con Man, you're not Martin's dream
False "hope and change" was your only theme
So please don't bring us your magic scheme
'Cause Mr. Con Man, Hey Mr. Con Man, it's not our
dream!*
