

Obama, Captain of the [Titanic](#)
From Patriot Dreams by Hal Mitchell – July 15, 2010

The accolades given to Abraham Lincoln by Walt Whitman in the famous poem, [O Captain My Captain](#), will not be given to Obama when he finishes his term of office because he is not a real *Captain of State* but more like the Captain of the Titanic. Like [Captain Edward John Smith](#) of the ill fated [Titanic](#), Obama will not listen to warnings of *icebergs* ahead.

The main *iceberg* facing Obama is an economic collapse of America caused by a departure from Capitalism and the takeover of major industries by his Socialist/Marxist regime. There are other icebergs in his path, as well, such as healthcare shortages as a result of his destroying of that \$6 Billion industry, amnesty for millions of illegal aliens and a loss of our national identity, bankruptcy of our government due to out of control spending, and the list goes on. There are even icebergs of possible apocalyptic judgments due to his attempts to divide Israel. [\(Joel 3:2\)](#)
