

[Charade by Andy Williams](#)

When we played our charade
We were like children posing
Playing at games, acting out names
Guessing the parts we played

Oh what a hit we made
We came on next to closing
Best on the bill, lovers until
Love left the masquerade

Fate seemed to pull the strings
I turned and you were gone
While from the darkened wings
The music box played on

Sad little serenade
Song of my heart's composing
I hear it still, I always will
Best on the bill

The Tax Cut Charade

When we played our charade
We were like tax cuts posing
Playing the games, calling out names
Guessing the amounts to be paid

Oh what a hit we made
The Treasury came next to closing
We send you the bill, on welfare still
We love the masquerade

Tax rates seemed to pull the strings
You turned and your money was gone
While from the darkened wings
The tax cut charade played on

Sad little serenade
Song of a our meeting closing
I hear it still, I always will
Send us the bill
