

[God Bless America](#)

By Celine Dion

"While the storm clouds gather far across the sea,
Let us swear allegiance to a land that's free,
Let us all be grateful for a land so fair,
As we raise our voices in a solemn prayer. "

God Bless America,
Land that I love.
Stand beside her, and guide her
Thru the night with a light from above.
From the mountains, to the prairies,
To the oceans, white with foam
God bless America, My home sweet home.

*Parody; G. D. America, as sung by
Obama's Pastor, Jeremiah Wright
By Don't Sing Along With HalMitch
on this one. Haaa!*

While the storm clouds gather here at home
for me,
Let's not swear allegiance to a land that's free
Let us all be hateful toward the land so unfair,
As we raise our voices in a solemn swear.

G.D. America,
Land that I hate
Stand against her and re-invent her
Thru the night with no light, ain't it great!
Bombed the towers, me and Barry
By our voices filled with hate
G.D. America our 9/11 date.

***Caveat:** Do not sing this song. It is written to
illustrate the hatred that spews from the
"pulpit" through Wright's Black Liberation
"Theology" and from Radicalized Muslim
"pulpits" across the land. Both preach toxic
messages that poison the minds of their
adherents. Pray that their words be rejected
and their blind eyes be opened.*
