

[Rocky Mountain High](#)

By John Denver

Selected Lyrics:

When he first came to the mountains his life was  
far away  
On the road and hangin' by a song  
But the string's already broken and he doesn't  
really care  
It keeps changin' fast and it don't last for long

But the Colorado rocky mountain high  
I've seen it rainin' fire in the sky  
The shadow from the starlight is softer than a  
lullabye  
Rocky mountain high

Now he walks in quiet solitude the forest and the  
streams  
Seeking grace in every step he takes  
His sight has turned inside himself to try and  
understand  
The serenity of a clear blue mountain lake

And the Colorado rocky mountain high  
I've seen it rainin' fire in the sky  
You can talk to God and listen to the casual reply  
Rocky mountain high

It's Colorado rocky mountain high  
I've seen it rainin' fire in the sky  
Friends around the campfire and everybody's high  
Rocky mountain high

*When I first came to Colorado my life had gone  
astray  
On the road to ruin without a song  
But the string was broken and I my life's now  
without care  
It keeps changin' fast as I write this song*

*But the Colorado Rocky Mountain High  
I've see it rainin' love from the sky  
The shadow from the starlight is seen through God's  
eye  
Rocky Mountain High*

*Now I walk in quiet solitude through the forests and  
the streams  
Receiving grace in every step I take  
My sight is turned topside to the God I now  
understand  
His serenity is clearer than a mountain lake*

*It's the Colorado Rocky Mountain High  
I see it now as God in the sky  
I can talk to him and listen to his loving reply  
Rocky Mountain High*

*It's the Colorado Rocky Mountain High  
I see it now as God in the sky  
Families celebrate a wedding and everybody's high  
On God and love in my Rocky Mountain High!*
