Lyrics to Have I told you:

Have I told you lately that I love you
Could I tell you once again somehow
Have I told with all my heart and soul how I
adore you
Well darlin' I'm telling you now

My world would end today if I should lose you
I'm no good without you, anyhow
This heart would break in two if you refuse me
Well darlin' I'm telling you now

Have I told you lately how I miss you
When the stars are shining in the sky
Have I told you why the nights are long
When you're not with me
Well darlin' I'm telling you now

My world would end today if I should lose you
I'm just no good without you, anyhow
This heart would break in two if you refuse me
My darlin', I'm telling you now...

Have we told you, America, how we love you?

By Hal Mitchell

Have we told you, America, how we love you?
Could we tell you once again and bow?
Have we told with all our heart and soul how
we adore you?
Well, America, we're telling you now.

This world could end today if we should lose
you.
It's no good without you anyhow.
Our hearts should break in two if we refuse to.
Well, America, we're telling you now.

Have we told you lately how we'd miss you?
If your stars and stripes can't fly against the sky
Have we told you why it's wrong
If you're not with us?
Well, America, we're telling you now

Have we stood against those who diss you?
And won't stand when your song is sung
Have we told them why they'll cry
If you're not with us
Well, America, We're telling you now.

This world could end today if we should lose
you.
It's no good without you anyhow.
Our hearts should break in two if we refuse to.
Well, America, we're telling you now.
