

Hey Jude

By Paul McCartney

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

Hey Jude, don't let me down,
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

Then you begin to make it better
Better, better, better, better, better, oh!

Na na na, na-na na na
Na-na na na, hey Jude

Hey Dude, don't be so sad
Take a bad day and make it better.
Remember don't let them under your skin
Then you can begin to make it better.

Hey Dude, don't be afraid
You were made to make it better.
The minute you let them under your skin
Then you begin to unravel like a sweater

Hey Dude, don't feel so down,
You own the town; you are a jet setter
Remember when there's trouble on the hill
Just send for Bill and you'll feel better

You know you're cool and you're no fool,
Now you can begin to make it better
Better, better, better, better, better, oh!

Na na na, na-na na na
Na-na na na, hey Dude
