[Margaritaville – Jimmy Buffet](#)

Livin' on sponge cake
Watchin' the sun bake
All of those tourists covered with oil
Strummin' my six-string
On my front porch swing
Smell those shrimp they're beginnin' to boil

Wastin' away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know it's nobody's fault

I don't know the reason
I stayed here all season
Nothin' to show but this brand new tattoo
But it's a real beauty
A Mexican cutie
How it got here I haven't a clue

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Some people claim that there's a woman to blame
Now I think
It could be my very own fault

I blew out my flip-flop
Stepped on a pop-top
Cut my heel had to cruise on back home
But there's booze in the blender
And soon it will render
That frozen concoction that helps me hang on

Wastin' away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know it's my own damn fault

Some people claim that there's a woman to blame
But I know it's my own damn fault

Obamaville

Livin' on sponge cake
Watchin' Obama fake
All those voters out with oil
Drinkin' my six pack
Ain't getting' my money back
I know he's lying; I'm beginnin' to boil

Wastin' away again in Obamaville
Like takin' a dose of salt
Some people think there's an election to blame
But they say it's nobody's fault

I know the reason
And I say it's treason
Nothin' to show and nothin' to do
Barry's no beauty
And Michelle's no cutie
How they got there I haven't a clue

Wastin' away again in Obamaville
Like takin' a dose of salt
Some people claim there's an election to blame
Now I think
It could be our very own fault

He blew up my bank deal
I stepped into a mine field
They took my job and I lost my home
But I still got my Fender
And soon it will render
The parody that will help me hang on

Wastin' away again in Obamaville
Like takin' a dose of salt
Most people claim there's an election to blame
And now I know it's my own damn fault!

Most people claim there's an election to blame
And now I know it's my own damn fault!
