

*My [Rocky Mountain High](#)  
A Tribute to Missy and Austin  
By Grandpa Hal Mitchell*

*On a mid October morning Sharon and I did fly  
To the Springs in Colorado – My Rocky Mountain High*

*On the occasion of Missy and Austin's wedding  
Love from above was evident we could not deny  
The uniting of Marine and Maiden – My Rocky Mountain High*

*Blended families came together before the very eye  
Sharing food and fun and dancing and nary a soul was shy  
At the uniting of Marine and Maiden – My Rocky Mountain High*

*Missy pledged her love via Corinthians  
Later, Austin began to spy  
At the uniting of Marine and Maiden – My Rocky Mountain High*

*This was a blessed ever-aftering  
And as hard as we may try  
We'll never see the equal of this – My Rocky Mountain High*

*So with gratitude for joy and laughter  
We celebrate this wedding on the fly  
The uniting of Marine and Maiden – My Rocky Mountain High*

*And just like the late John Denver  
We saw it rain fire from the sky  
At the uniting of Marine and Maiden – My Rocky Mountain High*
