

[On the road again](#)

By Willie Nelson

On the road again -
Just can't wait to get on the road again.
The life I love is making music with my friends

And I can't wait to get on the road again.
On the road again

Goin' places that I've never been.
Seein' things that I may never see again

And I can't wait to get on the road again.
On the road again -
Like a band of gypsies we go down the highway
We're the best of friends.
Insisting that the world keep turning our way

And our way
is on the road again.
Just can't wait to get on the road again.
The life I love is makin' music with my friends

And I can't wait to get on the road again.
On the road again

Like a band of gypsies we go down the highway
We're the best of friends

Insisting that the world keep turning our way

And our way
Is on the road again.
Just can't wait to get on the road again.
The life I love is makin' music with my friends

And I can't wait to get on the road again.
And I can't wait to get on the road again.

Obama's Motor Voter Road Again

On the road again –
I'm in campaign mode again
Just like I've always been

Telling lies to all my friends
On the motor voter road again

Sendin' ACORN where they've never been
People votin' that they'll never see again

I can't wait to get on the campaign road again
On the motor voter road again –
Like a band of hippies we fly without a flyway
We're the best of liberal friends
Insisting that illegals keep coming our way

And our way
Is the motor voter road again
Just can't wait to get their vote again
And they love tell'n all their friends

Tellin' lies to all their friends
On the motor voter road again

Like a band of hippies we fly without a flyway
We're the best of liberal friends

Insisting that illegals keep coming our way

And our way
Is the motor voter road again
Just can't wait to get their vote again
And they love tellin' all their friends

I can't wait to get on the campaign road again,
I'm on the motor voter road again.
