A Parody of Tammy Wynette's [Stand by Your Man](#)

Sometimes it hard to be a woman
And a lonely governor of your land
You'll have bad times and you'll have good times
Doin' things that liberals don't understand
But if you love them, you'll forgive them (not me)
Even though they're hard to understand
It's hard to love them or think highly of them

'Cause after all they hate this land

So stand by your JAAAAN
Give her this law to cling to
And this warm song to sing too
When judges are cold and she's lonely

Stand by your JAAN
And show the world you love her
Keep givin' all the love you caaaan
Stand by your JAAAN.

Stand by your JAAN
And show the world you love her
Keep givin' all the love you caaaan
Stand by your JAAAN.

Stand by you Man (Original Lyrics)

Sometimes it's hard to be a woman
Giving all your love to just one man
You'll have bad times
And you'll have good times
Doin things that you don't understand
But if you love him
You'll forgive him
Even though he's hard to understand
And if you love him
Oh, be proud of him
Cause after all he's just a man

Stand by your man
Give him two arms to cling to
And something warm to come to
when nights are cold and lonely

Stand by your man
And show the world you love him
Keep giving all the love you can
Stand by your man

Stand by your man
And show the world you love him
Keep giving all the love you can
Stand by your man
